SEPT. 25TH, OCT. 23RD, NOV. 20TH, DEC. 18TH

JD 1, 2, & 3 | AGES 6+

Players will compete on an abbreviated court with a low compression ball.

This is designed to introduce young players to match play in a fun and supportive environment while growing their live ball skills. The goal is to help players build confidence through successful point-play, learn simple scoring, and begin to experience the rhythm and feel of a tournament.
